PURE INNOVATION

WHY CHOOSE THE REVOLUTION?

Range of Sizes: 15'x15', 30'x30', 30'x45', 30'x60'

Elegant, Intuitive Design: This state-of-the-art canopy blends beauty and ease of use.

Save Time and Money: 15' side pole spacing means less inventory, saving time and labor during installation.

Engineered Construction: Wind-rated up to 76 mph (with no walls).

Simple Installation: Easy to install and break down, the labor savings are huge. Plus, you can count on ongoing product support from inTENTional's expert team.

Perfect for Any Occasion: Backyard gatherings, Super Bowl, house warming, Bar Mitzvah, block parties, festivals, tailgate, World Series and more!

One Piece Tops: Made from 16 oz. WBO, horizontal colored stripe available, uses same poles and center poles most rental companies already have in their inventory. Sidewall rope permanently installed and all tops come with heavy duty storage bags.

THE REVOLUTION = GREATER ROI

With 15' side pole spacing, the Revolution offers a cleaner look. It requires fewer parts and pieces, so your inventory is reduced. Plus, your crew will love the fast installation and breakdown.
